## COUGHS THAT DEVELOP INTO PNEUMONIA

Persistent coughs and colds lead to serious trouble. You can stop them now with Creomulsion, an emulsified creosote that is pleasant to take. Creomulsion is a new medical discovery with two-fold action: it soothes and heals the inflamed membranes and inhibits germ growth.

Of all known drugs, creosote is recognized by high medical authorities as one of the greatest healing agencies for persistent coughs and colds and other forms of throat troubles. Creomulsion contains, in addition to creosote, other healing elements which soothe and heal the inflamed membranes and stop the irritation and inflammation, while the creosote goes on to the stomach, is absorbed into the blood, attacks the seat of the trouble and checks the growth of the germs.

Creomulsion is guaranteed satisfactory in the treatment of persistent coughs and colds, bronchial asthma, bronchitis and other forms of respiratory diseases, and is excellent for building up the system after colds or flu. Money refunded if any cough or cold is not relieved after taking according to directions. Ask your druggist. Creomulsion Company, Atlanta, Ga.—Adv.

## Your Thanksgiving Table

should be decorated with a few choice Chrysanthemums or Pompons.

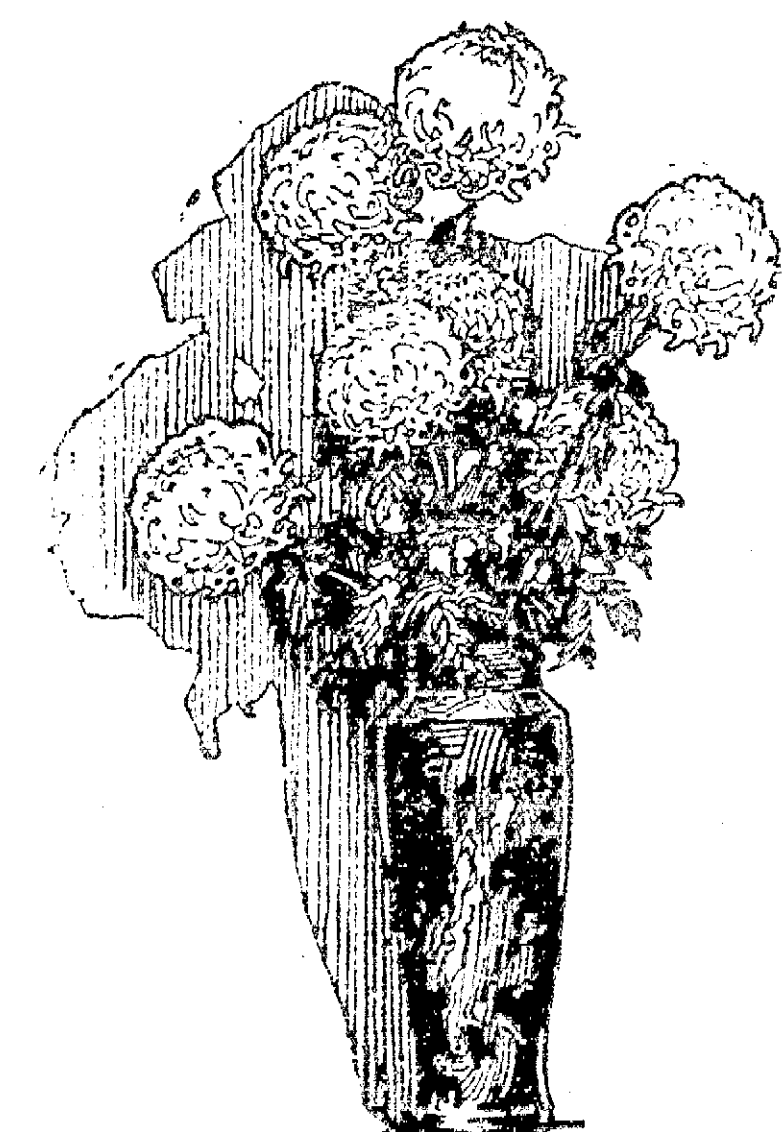

Flowers are not expensive this year and there is nothing that will be appreciated more than a few flowers for the table on this day.

Do not forget those who are confined to their homes on this day.

A nice blooming plant or a few cut flowers will brighten the day for them.

YOU'LL LIKE TRADING AT SCHAFFNER'S

The farmer, and the way he buys furniture—

Of all careful and painstaking buyers of furniture the farmer, as a class, probably heads the list.

When farmers patronize a store liberally that store is a safe and good one for anybody to trade with.

No store where there are "salesman's tricks" or other "shenanigan," poor quality but flashy appearing merchandise, or inflated prices, can ever win the confidence of the farmer and his wife. That's why we believe we can be excused when we boast a little about the big out-of-town trade this store enjoys.

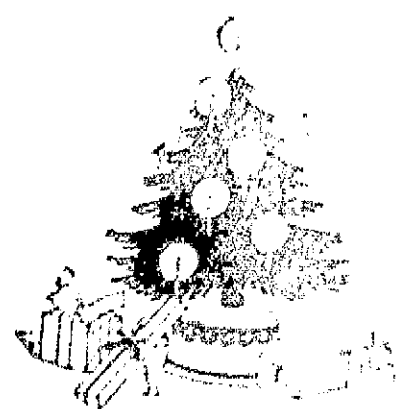

Furniture that we can guarantee because we only buy of manufacturers who guarantee TO US, prices that are low and fair, appreciation of patronage, decent and proper store service — these are things you can expect when you trade here.

And — you are welcome to open a charge account.

## Patsy's Patter

Gossip and Guesses in the World of Sport

By Pat Murphy

**THE** closest and hardest fought Army-Navy game of the last ten years is Coach "Red" George's only prediction on the result of the game at Chicago Saturday between the two service teams. The teams are evenly matched. The Navy enters the game one of the best in the country. The Army has one defeat, but that one does not detract a whole lot from the record of the soldier boys. The game featuring was administered by the team which many wise football pundits consider the super-team of the year—Navy. The team that wins the game Saturday will do so only after a hard fight. We think the Army has an excellent chance to take the boys from the naval academy "for a ride." If figures mean anything, and results this fall would seem to indicate that they do not, the Army has a slight edge on its rival. Army has scored 219 points while adding its opponents to 20. The Navy has scored four less points—215, while its opponents were able to score 17 points more against the Navy than were the teams opposing the Army. The total count against the Midshipmen was 67.

**PRESIDENT** Clarence Cook Little of Michigan University has a unique scheme to offer in college football. The Wolverine army would have two full varsity teams in each of the "Big Ten" colleges. One team would play on the road, and the other team would meet the road team of the same college at home, on the same date. It is a claim that the Michigan president did not expect the poor game who have to write the games before he sprung this idea.

**THE** selection of Bob O'Farrell of the world champion St. Louis Cardinals as the most valuable player in the National League should prove a popular one. Bob was considered a fair second string catcher when with the Cubs. He showed shortly after he went to the Cards that all he needed was steady work to prove himself a star. As soon as Thursday started to use him regularly behind the bat, he developed into one of the hardest workers among the backstops in either league. His knowledge of the opposing batters and his almost uncanny working of his own pitchers to the best advantage was a big help to the Cards in their fight for the pennant. His choice as most valuable player, which carries with it a bonus of \$1,000, was well deserved.

**TIGER** FLOWERS has come into the ranks of the light heavyweights and defeated Sather Eddie Hoffman, the California boy who has been touted as a contender for Jack Delaney's crown. This does not prove a thing. A real test of Flowers' championship caliber will come when he meets Mickey Walker, the former welterweight champion in Chicago next month. Mickey is

# Thursday's Games Will Decide N. C. O. Title

## Athletic Commissioner's Decision Also May Alter League's Final Standing

Mansfield and Ashland To Meet in Last Battle, While Bucyrus Invades Shelby; Sprout Interviews Townsend on Protest in Mansfield Game

**TWO** games, both grid classics, will decide the title of the North Central Ohio League, Thursday afternoon. While Mansfield, present league leaders, are battling Ashland on the latter's field, Bucyrus, with a last attempt to tie for first place, will invade Shelby territory. Harding High backers must sit and wait anxiously for the outcome of the two games, hoping and silently rooting for Bucyrus and Ashland.

While four teams are preparing the fight for a prominent place in the league standing, Coach Sprout of Harding today is in Columbus interviewing Athletic Commissioner of High School Athletics W. R. Townsend about the protest filed immediately after the Harding-Mansfield game. The latter half of the Mansfield game was played under protest made by Coach Sprout after Referee Bohne gave what the local coach claimed to be an erroneous decision. Incidentally, had it not been for the decision, the local gridder would probably have scored another touchdown and a victory over Mansfield. Referee Bohne admits that his decision was wrong and a partial report has been received from Townsend. His final report to Coach Sprout today may greatly affect the league standing.

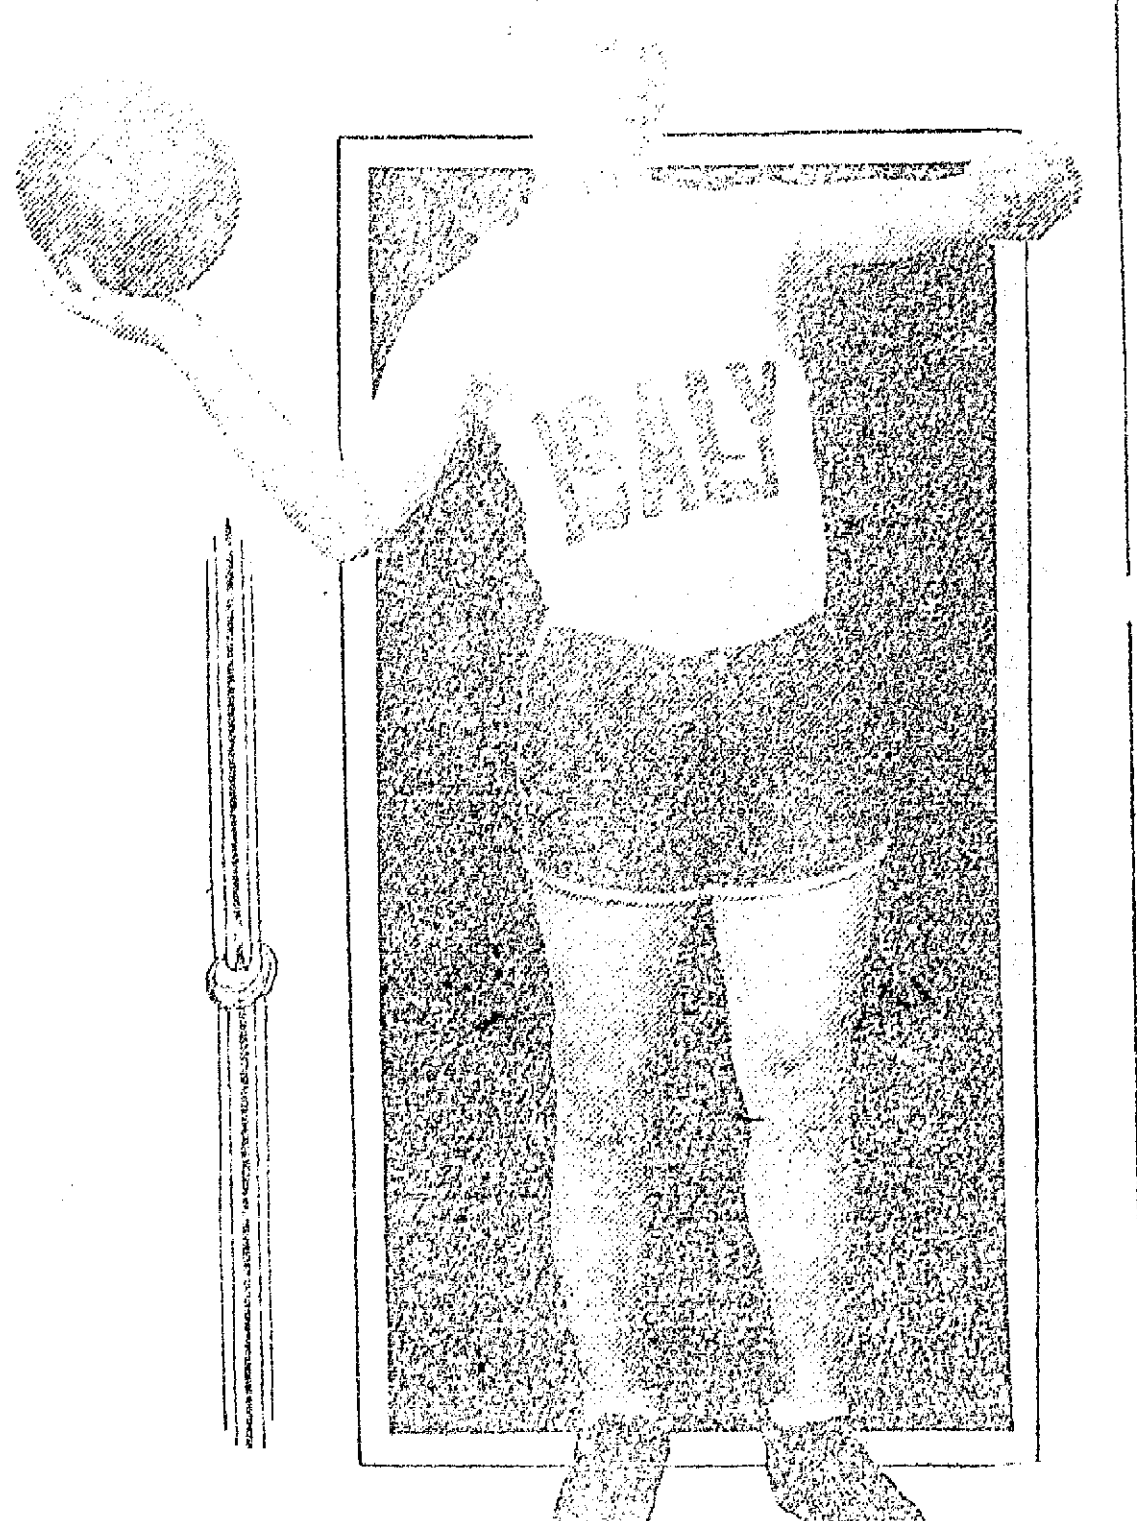

**Mansfield Standing**  
However, taking for granted that the decision will not alter the present standing of the teams, it is seen that Mansfield has the outstanding chance to win the title. They must win to clinch the pennant and must only tie Ashland to claim a tie with Shelby for first place, providing that Shelby scores a victory over Bucyrus.

If Mansfield wins, Shelby and all the other teams in the North Central Ohio League are simply "out of luck." But if they lose, Shelby has an excellent chance of capturing the flag and all other teams with the exception of Delaware have a slight opportunity of being high honors.

Mansfield and Ashland, both have wonderful defenses, but are armed with miserable defense facilities. The team that gets the breaks will win the game unless Mansfield continues in her old slump. In that case, Ashland will

far from through, and many think he would still have his welterweight title had he not been forced to make weight every time he defended it. He had the other night in Boston Mickey defeated Jack Malone, the former welterweight champion in Chicago next month. Mickey is

## PURDUE STAR IN DAIRIES THIS YEAR

A new face will be seen in the Early Dairies lineup tonight when the Central Ohio champs take the floor against the K. of C. team to decide the city championship. Ray Albright, guard, from the Rochester, Ind., and is at present employed in the engineering department of the Erie Railroad Co. here.

## Knights of Columbus And Dairies To Clash Tonight

The city championship will be decided tonight when Early Dairies and the Knights of Columbus clash in the Star Auditorium. The championship game will mark the opening of the 1927-28 season for the Dairies and promises to be one of the most hard-fought battles of the season. Both teams are in excellent condition after several weeks of strenuous practice and both teams are determined to win.

The Early crew will probably start the game with same lineup that defeated the Fountain Dairies of Columbus in the finals of the Central Ohio basketball tournament at Columbus last spring when the K. of C. captured will likely be composed of the same men who met the

## PURPLE WILLING TO SHARE TITLE

Walter Dill Scott Denies Reports Claiming Championship

**Ann Arbor, Mich., Nov. 23.**—Northwestern University is willing to share the conference football honors with Michigan, it was announced today with the receipt of a telegram from President Walter Dill Scott, denying reports that he had claimed the title for the Wild Cat eleven. The message, addressed to Dr. Clarence Cook Little, of Michigan, read:

"Evening papers quote me as demanding that Michigan concede title to Northwestern this year as we conceded it to Michigan last year. This is not correct. We refuse to share honors with Michigan.—Walter Dill Scott." President Little replied to President Scott's wire with the following telegram:

"Your telegram is most welcome, but because it was needed, but because it is once again a proof of the excellent attitude of friendly sportsmanship shown by Northwestern.—C. C. Little."

## NAVY ELEVEN IS LEAVING TODAY FOR GAME SCENE

**Annapolis, Md., Nov. 23.**—The Navy squad will leave here in a Pennsylvania special at 4:15 o'clock this afternoon for the Army game at Chicago. The special is due in Chicago at 1:30 tomorrow.

Coach Ingram has not yet decided upon his starting lineup, but the squad which started against Michigan probably will take the field against the soldiers.

## WONT PLAY HAWAII

**Delaware, Nov. 23.**—Ohio Wesleyan has refused to enter negotiations for a football game with the University of Hawaii, to be played at Honolulu during the holiday vacation. Because the ship would mean too much time lost for the gridder, it was announced here today.

## Shovel Cagers Will Open Season Here Dec. 7 Against Ohio Wesleyan University

Date of Match Moved Up Week; 20 Candidates Respond to Manager Bacon's Call for Men; Expects Strong Local Combination

The Marion Shovel cage team will open the season here, Tuesday, Dec. 7, when it ties up with the Ohio Wesleyan squad on the Shovel team. It was previously announced that the season would not open until the following Tuesday, Dec. 14, when the Shovels are to meet Keweenaw College here but arrangements have just been completed by Manager Francis W. Bacon to bring the Ohio Wesleyan five days earlier the next two weeks.

Manager Bacon called the first practice session for the Shovels, Monday night when 20 candidates reported for action. The initial call was followed up by another practice last night and Manager Bacon plans the third session for Friday night. At least three practice rounds will take place each week until the opening of the season.

**Best Case Men**  
Some of the best cage men in the country will be seen in action with the Shovel team this year, according to the tentative lineup presented today. Among the ones for practice are Baby Gumpston, Harding High coach and former Wittenberg star; Dewey Bodley, formerly of Ohio Wesleyan; Ed Wilson, former all-star men at Denison University; Bough, the six-foot-eight high center now engaged at the Shovel; Manager Bacon, former Wittenberg star; Colonel of Heidelberg; Cliff Ward, Swamp Irwin, Warren and H. Grossman, last year's stars.

In the first scrimmage last night the first team lined up with Pouch at center, Bacon and Gumpston guards, and Wilson and Bodley forwards.

A number of home games have been scheduled for the next few weeks of the season. Others will be arranged within the next few days. The present

includes the following games: Dec. 7—Ohio Wesleyan, here. Dec. 14—Keweenaw College, here. Dec. 21—Ohio Northern, here. Dec. 28—Owen. Jan. 4—Mother's Pets, here. Jan. 11—Akron Firestones, here. Jan. 18—Buffalo Lincolns, here. Jan. 25—Akron Firestones, here.

## ARMY FAVORITE OVER NAVY TEAM

**Chicago Puts Eight-to-Five Odds on Cadets To Win**

**Chicago, Nov. 23.**—Football mad Chicago today installed West Point a decided favorite in the twenty-nine Army-Navy gridiron battle at Soldiers Field here Saturday.

The betting odds are eight to five the cadets sink the ship. A firm of Pittsburgh brokers threw \$10,000 in Navy money on marble slabs in La Salle's in the financial district here this morning and it was snatched up credibly fast by Army backers who gladly snatched the odds.

Some money at 7 to 5 was placed on Army and a few bets at long odds were made on West Point, largely a favorite because many of the cadet players are former midwestern stars. Among these is Murrell, the big West Point fullback, who formerly played at the University of Minnesota.

**Not a Mere Slogan**

Lucky Strikes are distinctively different. Why? "IT'S TOASTED." This is not a mere slogan, but a costly and added process.

To begin with, Lucky Strikes are made of the world's finest Turkish and domestic tobaccos, properly aged and perfectly blended.

In addition, toasting for 45 minutes improves Luckies in three ways:

1. **Finer Flavor.** Toasting for 45 minutes develops the hidden flavors of the world's finest Turkish and domestic tobaccos.
2. **Smoothness.** Toasting for 45 minutes removes all "bite" and harshness, hence never any throat irritation.
3. **Freshness.** Then the tobacco is suddenly chilled. This seals the flavor in and insures constant freshness.

The added process of toasting brings extra goodness which accounts for the growing popularity of Luckies.

**"It's toasted"**

That's Why Luckies Taste So Good

## City's Economy Program Likely To Be More Rigidly Enforced During 1927 Claim

Municipal Treasurer Points Out in Letter to Officials That Sinking Fund Is Without Any Investment and Has Balance of Only \$5,251.38

The policy of economy and retrenchment, inaugurated in municipal affairs here this year, is likely to be even more rigid and pronounced during 1927, in connection with the sinking fund, according to a letter from the Municipal Treasurer, C. H. Mowbray, to the City Auditor, R. J. Pettigrew, and the City Solicitor, C. H. Mowbray, dated Nov. 22.

The sinking fund, which is the fund for the payment of the city's bonds, is now without any investment and has a balance of only \$5,251.38. The sinking fund is a fund which is set aside for the payment of the city's bonds, and it is the duty of the city to keep it full.

Mowbray's Letter

After reading attention to the sinking fund, the Municipal Treasurer, C. H. Mowbray, has written a letter to the City Auditor, R. J. Pettigrew, and the City Solicitor, C. H. Mowbray, dated Nov. 22.

The sinking fund, which is the fund for the payment of the city's bonds, is now without any investment and has a balance of only \$5,251.38. The sinking fund is a fund which is set aside for the payment of the city's bonds, and it is the duty of the city to keep it full.

Queen's Letter

"During the fiscal year from Sept. 1, 1925 to Aug. 31, 1926, the city disbursed \$566,300.11 inclusive of Sinking Fund payments," Treasurer Queen reported.

"In other words, one city employee cost \$2,200 per month for operation." "On March 1, 1926 and Sept. 1, 1925, the Treasurer's letter continued, there was a balance in the Sinking Fund of \$51,821.50. Adding the amount received from the tax payments, \$105,648.20, gave the Sinking Fund balance of \$157,469.70 which to pay \$257,623.10 in bonds and coupons, \$95,253.40 of which was interest. There was a balance in the Sinking Fund at that time of \$51,821.50. Adding the amount received from the tax payments, \$105,648.20, gave the Sinking Fund balance of \$157,469.70 which to pay \$257,623.10 in bonds and coupons, \$95,253.40 of which was interest.

Significant Statement

"At the present time, the Sinking Fund is without any investment and with only a balance of \$5,251.38," the Treasurer commented significantly in the closing paragraph of his letter.

These figures provided the basis of the talk given by City Solicitor Mowbray, Monday night, in which he emphasized the necessity of rigid economy and extreme care in the use of the sinking fund. He pointed out that the sinking fund is a fund which is set aside for the payment of the city's bonds, and it is the duty of the city to keep it full.

This letter was made clear in a letter sent to Mayor Earl M. Bacon by City Solicitor Mowbray on the day of
